COME FLY RC MODELS WITH US

Free RC aircraft introductory flight

Go to boernerc.org – contact us to set up a date and time.

You supply the interest and enthusiasm; we will supply everything else

Try your hand at flying an RC model airplane. We will provide the airplane, the electronics and the skill to assure the fun!

Our buddy box transmitters let you fly the airplane with the knowledge, if everything doesn't go perfectly, there will be a flight instructor next to you prepared to take over and get you back on track.

If you have flown before and are thinking of getting back into the sport, our dedicated flight instructors can assure you regain your proficiency as quickly as possible and can also work with you on improving your acrobatic skills, including 3D aerobatics.

Our goal is to give you a fun introduction to flying RC aircraft and get you started in this GREAT HOBBY.

We are so sure you will have fun and enjoy the experience we offer this guarantee.

Come for our free Introduction flight, and if you are not completely satisfied, we will give you DOUBLE your money back. (Just think DOUBLE FREE; what a deal!)
